Magnetic Therapy Insoles

Price: \$25.00

Magnetic Therapy Insoles with activated charcoal.

Each pair of magnetic therapy insoles contains 10 Rare Earth Magnets strategically placed, which can help to increase blood circulation, and assist in relieving and managing aches and pains throughout the body. We have had many reports telling us that our clients have relieved their pain and discomfort and that have a general feeling of well being since wearing our magnetic insoles.

Great for:

- Burning Feet
- Heel Spur / Plantar facsiitis
- Diabetic neuropathy
- Arthritis
- Aching legs
- Sore Ankles
- Bursitis
- Swollen feet
- Poor Circulation
- Raynauds Syndrome
- General wellbeing.

Great for people who are on their feet all day! Bushwalkers tell us that our soles have made their feet alot more comfortable on their long walks.
