Magnetic Attraction Genuine Leather Magnetic Insoles

Each pair of magnetic insoles contains 10 Rare Earth Magnets strategically placed, which may help to increase blood circulation, and assist in relieving and managing discomfort throughout the body. We have had many reports telling us that our clients have relieved their discomfort and that have a general feeling of well being since wearing our insoles.

May be suitable for aiding your comfort with ailments such as:

- Burning Feet
- Heel Spur/Plantar fasciitis
- Diabetic neuropathy
- Arthritis
- Aching legs
- Sore Ankles
- Bursitis
- Swollen feet
- Poor Circulation
- Raynauds Syndrome
- General wellbeing.

Great for people who are on their feet all day! Bushwalkers tell us that our magnetic insoles have made their feet alot more comfortable on their long walks.
